Alma Mater

We are here, dear John Graham High
To laud our glories to the sky.
Sons and daughters true,
And we'll stand by you.
We will wave our banners gay
As we go marching on our way.
So to you, our Mater dear,
We'll never fail, never fail,
Hip! Hip! Hooray!

Fill us with loyalty;
Alma Mater is your name,
Strong are we, brave and free,
Though to a far land
Our footsteps may wander.
Take, take our fealty,
So to you our names proclaim.
Ever more, rich or poor,
Your praises shall we acclaim.
Alma Mater, Alma Mater, Hail!

Dedication

To Miss Elizabeth Allen, we dedicate our WARRENTONIAN of 1954. It is but an humble effort to show our appreciation for her many years of hard work and leadership. We only wish that there were something greater that we could do to express our heartfelt thanks for her guidance and understanding.

History

In the spring of 1951, John Graham High School lost one class but, in the fall of that same year, there was added a new class, the class of '54. It did not take us long to get accustomed to high school. We were completely settled when the time came for mid-term exams. At the end of that mental grind, we flung ourselves with characteristic abandonment into the job of having a good time doing just enough to get by in English and Latin.

The next year found us slightly subdued and with our noses buried in biology books. That biology book surely ruled our lives; it even gave some of our group temporary nicknames. One of our members was an officer of the student council; nearly all of the girls were in the glee club; and fourteen members of our class were taken into the Beta Club. The Class of '54 moved into position to take command of John Graham when its time came, but that time was still a year away.

Bursting with importance and plans we took our places as Juniors. By the end of the year our class was well represented on the football, baseball, and both girls' and boys' basketball teams and did a wonderful job, too. It was during this year ('52-'53) that the band was formed and one of our boys became the Drum Major. As Juniors we produced a play, "Mystery at Midnight," which helped finance the Junior-Senior.

The high light of our Junior year was, of course, the Junior-Senior. In spite of headaches, crepe paper shortages, and other assorted difficulties, we produced a wonderful Hawaiian banquet. The food was prepared by our mothers and the banquet was followed by a dance that Zirkle and his band pepped up with the "Bunny Hop" and "Mexican Hat Dance," two dances that were the rage at that time.

And then in September of 1953, we moved into the position of command. We became Seniors. We have not had to worry about the source of the money for the Junior-Senior but we have had other worries. There was the practically traditional Washington trip to plan, a play to present, commencement to plan and countless other preparations for leaving high school and going out into the world. But along with these worries came the thrills which always come to Seniors; the rings, choosing the cards and invitations and seeing pictures of ourselves in caps and gowns. During our Senior year the biggest thrill has been that of watching our friends and classmates excel in all the sports which our school offers.

During the past four years, we have had many people who kept us moving forward. Together Miss Allen and Mrs. Martindale guided us through two wonderful years and helped us get accustomed to high school. Then, in our Junior year, Miss Allen and Miss Warren pushed us over many a rough little hill. This year we have had Miss Allen and Mrs. Martindale to show us how to keep straight as we walk down the aisle that leads to graduation.

It has been a long climb. Part of it has been difficult; none of it very easy. We thank all of those who have helped us along the way as we say to them, and to all our friends at John Graham, "Aloha."

Prophecy

Here we are ladies and gentlemen, at the 1964 Olympic Games being held for the first and last time in the thriving metropolis of Arcola, N. C. As usual I am covering the Games for my papers. As I look around I recognize many of my former classmates at John Graham High. While we are waiting for the game to begin, I would like to tell you what these fellow classmates of mine are doing.

Rachel Abbott, whose talent I always recognized, is now living on her farm at Afton where she raises turnip salad for a large northern truck farm.

Patricia Alston, who has lost none of her girlish beauty, still holds down the position as choir director at the Episcopal Church.

Ann Aycock teaches chemistry at John Graham. The mysterious explosions heard recently are said to have come from there.

Frankie Aycock now portrays the part of Kingfish on the Amos and Andy radio and television program.

Jules Banzet, after a successful role in "Mystery At Midnight," is now playing the part of Tonto on the Lone Ranger program.

Barbara Barlow recently signed a contract with Metro-Goldwyn-Mayer in Hollywood.

Kenneth Barlow, after a brilliant athletic career, is co-owner of Pittards Service Station.

Branch Bobbitt is now assistant game warden of Warren Co. stationed at Ridgeway Pond.

Mary Carroll is running the cafeteria at the Macon school.

Mildred Crinkley is a teacher of education at Woman's College in Greensboro, N. C.

Brooks Davis has just entered his old 1953 Ford in the annual "Indianapolis 500" race.

Joe Davis is Secretary of War at Washington, D. C. He is known as the number 1 enemy of the Kremlin.

Lawrence Edmunds is with the Agricultural Department at Raleigh.

Billy Fleming is enjoying another prosperous season as owner of Bill's Supermarket in Elberon.

Hillman Floyd is associated with the C. J. Fleming Warehouse at Henderson.

Louise Harris, who used to like to cut up at John Graham, is now a famous surgeon at Warren General Hospital.

Ruby Harris is now the chief engineer for the Warren Plains Railroad and has the distinction of being the first woman ever to hold this position.

Myrtle Hilliard, who entered the Wacs, is on special guard duty at the tomb of the unknown soldier at Washington.

Macon Jones, after ten years of hard work in the National Guard, has been promoted to the rank of Private First Class.

John Kerr, who speaks French fluently, has just been appointed special Ambassador to France to work out difficulties over a dispute in the Marshall Plan.

Anne League is teaching French at Davidson College where her husband is a retired professor.

Martha Lee lives at the John Kerr dam where she sells fishing tackle for a living.

Norma Merrill is teaching Sociology at John Graham and is following in the footsteps of Miss Allen who has retired.

William Limer is now a farmer at Afton where he sells cattle.

Bobby Maynard is working with the F. B. I. in Washington.

Al Mustian is the new owner of Norlina Stockyard.

Jimmy Mustian, the All-American Guard from J. G., is now playing professional football with the Ridgeway Teddy Bears.

Esther Hardy is married and teaches Latin at Aurelian Springs High School.

Joyce Pope is editor of the famous ladies magazine "Ladies Home Journal."

Jimmy Qualls, after being Mayor of Hollister for a number of years, has gone on a tour of the Arctic Ocean.

Hunter Peoples is the newly appointed teacher of agriculture at Henderson, N. C.

Owen Robertson disappeared a few days ago. Many fear his car was going faster than sound and disintegrated.

Elizabeth Shearin is now a matron at Woman's Prison at Raleigh, N. C.

Bonnie Stevenson moved to England a few years ago and is now poet laureate of that country.

Janet Throckmorton is a model in New York.
Carey Wilson is now police chief at South Hill. He is known now as "Wee Willie Wilson, The Two Gun Terror."

Doris Wilson is married and now operates the ferry across the Roanoke River.

As for me, I am still working on the WARREN RECORD, and several other daily papers such as the NORLINA DAILY NEWS and the MACON HERALD.

(I was fed on cornbread and buttermilk.) I, Joe Davis, do leave my optimistic outlook on life to John Graham teachers and students.

In witness whereof, we the Senior Class of 1954, do set seal on this, the eighth day of June, in the year of our Lord, Nineteen Hundred and Fifty-Four.

Poem

Often in the silent night
Before sleep closes our eyes,
Memory will come again
And remind us of our youthful years.
And we shall know that the days of our youth
Are the days of our glory.

Memory will bring the light
Of these, our high school years;
Of friends, of smiles, of striving
To learn our lessons well.
For these the days of our youth
Will shape our hearts and minds to give
Back to the world all we learn.

Whatever we do and are
Whatever of patience, hope
And ambition we possess
Whatever dreams are ours
We owe to parents, friends and teachers
Who taught us love, duty and work bring happiness.

We can say farewell to the days of youth
We believe we've learned our lessons well.
Now we pause at the end of our high school years
To say "thank you--everyone."
We will choose the path that is right for us
We will conquer our doubts and fears
And know happiness in giving to others
What we've learned in our youth.

Thank you for putting my picture in the Warren Record. Lots of luck to a very nice boy, always your friend
